	No Program for Students
	First Day - Students visit
	Staff Days no students
	Number of Scheduled Days

There are 181 scheduled days during the September to June school year. 177 of these days are student attendance days. There are 4 days that have not yet been scheduled for staff professional development, teacher meetings, and caretaker meetings. Those days may be scheduled in full, half or partial day increments. At least 2 weeks' notice will be provided to families prior to each of these 4 days.

Any day that the building is closed due to an emergency or poor weather will be a virtual school day for students unless there is a widespread power outage that prevents internet access. There will also be virtual school if a classroom is quarantined by the Local or State Department of Health.
